Q101. The referendum on the UK's membership of the European Union will take place on June 23rd.
Many people we have spoken to have told us that they will not vote in the referendum, while others will vote. How certain it is that you would actually vote in the EU referendum on June 23rd?
On a ten point scale, 10 would mean you would be absolutely certain to vote and 1 would mean you would be certain not to vote, how likely is it that you will cast your vote?
