Table 4

Data derived from:-

Q.A Some people have said they would not vote in a new General Election, while others have said they would vote. How certain is it that you would actually vote in a general election if it were to be held tomorrow? On a ten point scale where 10 means you would be absolutely certain to vote and 1 means you would be certain not to vote how likely is it that you would cast your vote?

Q.B The Conservatives, Labour, the Liberal Democrats, UKIP, and other parties would fight a new General Election in your area.

If there were a General Election tomorrow which party do you think you would vote for?

Data excludes those who definitely will not vote (4%), don't know who they would vote for (15%) or refuse to answer (2%)

Table 6

Q1. There has been a lot of media coverage recently about the problems faced by the Windrush-generation of migrants who came to the UK legally between 1948 and 1971. Some of them have lost jobs, benefits or access to the NHS because they do not have the right paperwork. Who do you think is most to blame for the problems they face?

Q2. Negotiations between the UK and the EU have to come to an agreement on or before 'Brexit Day' 29th March 2019 (unless unanimous agreement extends this deadline). From what you have seen or heard about the negotiations - or even if you had to guess - do you think they will or will not conclude successfully before Brexit Day?
