If the UK Parliament votes against the final Brexit deal that the UK Government has negotiated with the European Union (EU), setting Britain on a path to leaving the EU without a deal (a .no deal. Brexit), there may be a general election. Opposition parties will probably promise to negotiate a better deal.

**Q5. All other things being equal, please tell us which party you would vote for in a general election in these circumstances?**

**Base: All respondents registered and expressing an intention to vote**

Now please consider the following two scenarios and, all other things being equal, tell us which party you would vote for in that general election if...

**Scenario One:** In their general election manifestos, Labour, the Liberal Democrats, and the SNP promise that the people will get to vote on any Brexit deal, but the Conservatives rule this out.

**Q6a.** If there was no Liberal Democrat candidate standing in your constituency, and the Liberal Democrats were supporting the Labour candidate, who would you vote for instead?

**Base:** All those who would vote Lib Dem in Scenario One

Now please consider the following two scenarios and, all other things being equal, tell us which party you would vote for in that general election if...

**Scenario Two: In their general election manifestos, only the Liberal Democrats and the SNP promise that the people will get to vote on any Brexit deal, while Labour and the Conservatives both rule this out.**

**Q7a. If there was no UKIP candidate standing in your constituency, who would you vote for instead?**

**Base: All those who would vote UKIP in Scenario Two**
