If the UK Parliament votes against the final Brexit deal that the UK Government has negotiated with the European Union (EU), setting Britain on a path to leaving the EU without a deal (a .no deal. Brexit), there may be a general election. Opposition parties will probably promise to negotiate a better deal.

Q5. All other things being equal, please tell us which party you would vote for in a general election in these circumstances?

If the UK Parliament votes against the final Brexit deal that the UK Government has negotiated with the European Union (EU), setting Britain on a path to leaving the EU without a deal (a .no deal. Brexit), there may be a general election. Opposition parties will probably promise to negotiate a better deal.

Q5. All other things being equal, please tell us which party you would vote for in a general election in these circumstances?
