Table 4

Data derived from:-

Q.A Some people have said they would not vote in a new General Election, while others have said they would vote. How certain is it that you would actually vote in a general election if it were to be held tomorrow? On a ten point scale where 10 means you would be absolutely certain to vote and 1 means you would be certain not to vote how likely is it that you would cast your vote?

Q.B The Conservatives, Labour, the Liberal Democrats, UKIP, and other parties would fight a new General Election in your area.

If there were a General Election tomorrow which party do you think you would vote for?

Data excludes those who definitely will not vote (4%), don't know who they would vote for (18%) or refuse to answer (1%)
